## **BYD INVITATIONAL GOLF TOURNAMENT 2026 RESULT**

On 17 May 2026, Dreamland Golf Club proudly hosted the BYD Invitational Golf Tournament 2026 with the organizational support of the Azerbaijan Golf Federation. The tournament took place in very difficult weather conditions. Heavy rain and strong winds made the course even more challenging throughout the day. But despite the weather, all players continued competing with great spirit and determination until the very end.

We would like to sincerely thank every golfer who came to the course and kept fighting in such conditions. Results are important, but on this day every single player showed true character, sportsmanship, and love for the game. That is why we believe that all participants were champions.

We also thank our main sponsor BYD and all partners and supporters of the event, including Castrol, the Ministry of Youth and Sports of the Republic of Azerbaijan, SARDA Group, and AzerGold for their valuable support.
